

# 2019 Arteon Buyer's Guide

Designed to delight.

Arteon in Kurkuma Yellow Metallic with available R-Line Package

## Arteon top features

### 4MOTION® All-Wheel Drive

Feel confident in any road conditions.\* If 4MOTION® All-Wheel Drive detects slippage, more torque is directed to the wheels with the most grip to help deliver more traction for improved handling and control. Just the way it should be.

### Easy Open liftgate and adjustable cargo space

One kick of your foot is all it takes to pop the Easy Open liftgate. But the convenience doesn't stop there. The split-folding rear seats adjust to your needs, with up to 1,557 litres of space with the seats folded down.

### Front Assist – Autonomous Emergency Braking\*\*

If the vehicle senses an impending collision, Front Assist will warn the driver with an audible tone. The feature is also designed to automatically apply the brakes under certain conditions to help prevent impact.†

### Digital Cockpit††

Monitor every detail of your drive. The 12.3" Volkswagen Digital Cockpit displays your navigation, making it easier and safer to view. So you can focus on what matters most – the drive.

### Luxury driver seat

This isn't your ordinary driver seat. It stays cool, heats up and even helps you relax, with built-in massage, heating and ventilation.

\*Appropriate all-season or winter-weather tires are required for driving in cold, snowy or icy weather conditions.  
\*\*Driver assistance feature. Drivers must continue to perform manual checks and pay full attention to the road and safe driving. Please review the owner's manual for feature limitations.  
†Never rely on this feature to brake for you.  
††Do not drive distracted. Drivers must pay full attention to the road and safe driving at all times.
