

CC 2014

Das Auto.

Refinement refined.

Ballet or ballgame. Either way, arrive in style with the sophisticated 2014 CC. Defined by sleek lines, the CC is our smart take on luxury. Loaded with state-of-the-art technology, the CC packs a fuel-efficient 2.0 TSI 200 hp engine (or an available 3.6 FSI 280 hp V6 engine with 4MOTION® all-wheel drive). With comfortable sport seating for five, those seats are about to get pretty exclusive.

Class comes standard.

"Premium" is in everything CC. From the Premium 8 touch-screen radio to LED signature daytime running lights that ignite envy, premium features make the CC what it is – a style innovator. With the Climatronic® dual-zone electronic climate control system, the cabin temperature is tailored perfectly for you and your passengers. You'd think that at least one of the "C"s in the 2014 CC should stand for "classy."

Key Features

Features

Available panorama vent sunroof

The open road gets even more open with the panoramic, power-tilting sunroof.

Available R-Line

Try to look away from the show-stopping aesthetics of the R-Line Package.

Premium 8 touch-screen radio

Your favourite song is at your fingertips. This touch-screen unit gives you all the music you could possibly want, in one sleek, powerful package.

Bi-Xenon headlights with Adaptive Front-Light System (AFS)

Own the spotlight (or in this case, lights). Brighter than regular bulbs, the Bi-Xenon lights with Adaptive Front-Light System turn up to 13 degrees around corners before you do.

Rearview camera

With a camera installed behind the Volkswagen emblem on the back of the car, you can always check who's checking out your CC.

Climatronic® dual-zone electronic climate control

Create a climate that's perfectly tailored to your needs, whether you're the driver or the passenger.

More Features

2.0L turbocharged engine with 200 hp and 207 lb-ft of torque

Also available: 3.6 FSI engine with 280 hp and 265 lb-ft of torque. Powerful and efficient, these engines offer something special for every driver.

Bluetooth® Mobile Phone Connectivity

Say hello to hands-free freedom. Bluetooth® with voice command gives you seamless phonebook access, music streaming and, of course, voice calling.

12-way power adjustable driver seat with power lumbar support

Now comfort's in your control. Adjust your premium sport seat for premium comfort.

- R-Line aluminum door sills
- R-Line exterior badging
- R-Line exterior design package (front bumper and side skirts)
- R-Line sport steering wheel includes paddle shifters with automatic transmission

Think Blue. It's how we put more thought into what and how you drive.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Manual	2.0 TSI	10.2	6.4
Automatic DSG	2.0 TSI	9.7	6.6
Automatic	3.6 FSI	12.7	8.3

TSI – TSI brings together the power of direct fuel injection with the extra boost of a turbocharger. The end result? An ultra-efficient engine that provides a maximum 207 lb-ft of torque from 1,700 to 5,000 rpm, gives you outstanding performance through a wide range of speeds, power when you need it, ultra-low fuel consumption and, ultimately, lower CO₂ emissions.

*Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

DSG – A definite shift for the better, DSG gives you the convenience of an automatic with the performance and efficiency of a manual. Here's how it works: DSG is managed by dual electronically controlled clutches, so not only do you shift faster, you also get enhanced acceleration and reduced fuel consumption. In fact, thanks to DSG, each shift takes less than 4/100ths of a second. And if you're the manual type, a quick flip of the Tiptronic® function lets you shift into something a little sportier.

Lightly does it. The lighter you travel, the less fuel you consume. An extra 100 kg of stuff increases your fuel consumption by up to 0.3 L/100 km. So if you've got random items weighing you down, it's time to lighten the load. Driving more efficiently. Just one way that we can all Think Blue.

Think Blue.

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information contained in this brochure is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Refer to Natural Resources Canada's Fuel Consumption Guide for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and vehicle's additional equipment. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Changes in street names, construction zones, traffic flow, points of interest or other road system changes are beyond the control of Volkswagen Canada. Discrepancies may occur between the mapping and the actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
