The 2026 **Golf R**

The 2026 **Golf R**

The ultimate daily disguise

The 2026 Golf R seamlessly blends the civility of a daily driver with the heart of a track-ready beast. Don't let the refined exterior fool you – beneath the surface lies uninhibited German engineering, delivering an experience that'll redefine your expectations of what a hot hatch can be.

Your Golf R's **Specifications**

Make the Golf R your own with styles and features you'll love.

Notes

© 2026 Volkswagen Canada. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. The wheels on the Golf R are changing mid-year. See dealer for details. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
